

RPEA Florida West Coast Chapter

September 13, 2016

Dear Fellow Retiree:

Our Chapter is at a crossroads. Our current leadership has served many years, and we are in need of other members who are willing to step up and serve as officers. Specifically, all the offices including chapter chair, treasurer, secretary, among others, need to be filled.

I am reaching out to you, as a member of our Chapter, to solicit interest in serving. In light of this transition period, the Chapter meeting which had been scheduled for October 27 has been cancelled.

Hopefully, members who are willing to serve will come forward. If members do not come forward, the Florida West Coast Chapter will be forced to become "inactive". If that were to happen, your membership in RPEA and the benefits that come with it, will not be affected, with the exception that we will not have a local chapter.

I hope that you respond favorably, and that new leadership will emerge. I was one of the founders of our Chapter back in 1989, and it is time to pass the baton to a new generation of leaders. I look forward to hearing from you.

Sincerely,

Jeanne
