

LONG ISLAND CHAPTER

Notes from the Chapter Chair

Hello to our Long Island RPEA Chapter Members:

Regretfully the Long Island Chapter is postponing our General Meetings scheduled for Wednesday October 27 and Thursday October 28, 2021.

The Steering Committee and I decided that due to the Delta Variant it is prudent to postpone an indoor, in person meeting, until spring when this health crisis may be under better control.

We are taking into consideration members that are immunocompromised. Even though they are vaccinated, they may be at risk for exposure to COVID from both vaccinated and unvaccinated attendees.

If you sent an RSVP and a check for either the Hicksville or Hauppauge location it will be returned to you shortly.

RPEA's Annual Meeting is scheduled to be a virtual meeting in order to also protect the health of our members. The meeting will include a mix of live and recorded presentations with the ability for attendees to ask questions and make comments.

Consider joining the online meeting which will also be livestreamed on Facebook and posted on Facebook and on the RPEA website afterward.

These are difficult times for all of us. I'm sure you as well as I wish a return to normal.

In the meantime, please stay safe and healthy,

JoAnn Kullack
