

Greetings to all our Florida East Coast Members,
I hope everyone is doing well! Your Steering Committee has planned our General Meeting for April 9th 2024
(see attached information and reservation form).

As you all may be aware, members are what makes RPEA strong. It is all our voices working together, guided by the RPEA leadership that gives us the ability to maintain our benefits and protect our interests. It is with this in mind that we are offering a special incentive at our April meeting. If you bring a friend to this luncheon who is eligible to join RPEA (NYS state or local government retiree) and who signs up and pays for first year dues at the meeting your own lunch will be reimbursed. Speak to your friends and neighbors. Perhaps there is someone who has not heard of RPEA and the benefits it offers. Give that person a chance to meet us and learn about the benefits RPEA provides.

Wishing each of you a peaceful and happy early spring. Looking forward to seeing you at the luncheon on April 9th.

Sincerely,
Jan
